Thank You to Our Sponsors

ICCN2023 would like to thank the following companies for their support:

PLATINUM SPONSOR

www.novartis.com/uk-en

At Novartis, our purpose is to reimagine medicine to improve and extend people's lives. We use innovative science and technology to address some of society's most challenging healthcare issues and we work together with the system to implement solutions that drive access for UK patients.

GOLD SPONSOR

www.beigene.com

Our mission is to build a next-generation biotechnology company through courage, persistent innovation, and challenging the status quo. Our vision is to create impactful medicines that will be affordable and accessible to far more cancer patients around the world. Cancer has no borders, neither do we.

BRONZE SPONSORS

www.ons.org

The Oncology Nursing Society (ONS) is a professional association that represents 100,000 nurses and is the professional home to more than 35,000 members. ONS is committed to promoting excellence in oncology nursing and the transformation of cancer care.

CHANGING THE FACE OF CANCER

www.paxmanscalpcooling.com

Effectively combatting CIA, Paxman scalp cooling can offer strong hair retention and preservation, and in studies has led to better and faster regrowth, giving patients control and offering positivity to treatment. Scientific R&D ensures high technical precision and clinical efficacy, supported by ongoing clinical trials, research and health service dialogue.
